

Dear Edna and NPO nekojarashi members,

How are you? I hope 2010 brings you hope for the coming year.

One of the communities in Bekkes, Benguet whose farms were affected by the typhoons received the clothes you sent. Six communities in our outreach were beneficiaries of your generosity. Please thank the Filipino community and NPO nekojarashi members.

The farmers had a "raffle" (see them getting their raffle tickets from the hat). They enjoyed the "surprise" of clothing after their monthly meeting.

Love and prayers,

Guadalupe
